**Subject:** Thank you

Dear Sally and John and the Speen Helping Hospices Committee

It was a pleasure to meet with Sally and John recently at the Princes Risborough Rennie Grove shop to receive a cheque totally £4,500, funds raised by Speen Helping Hospices through 2022. On behalf of Rennie Grove Peace Hospice Care, I would like to confirm receipt of the cheque and thank you for your continued support. As I said when we met, I am always in awe of the success of your fundraising. You have a calendar of fabulous events and fundraisers; the local community are very lucky.

The funds you raised are enough to fund 150 hours of specialist nursing care for local patients and families in need of our support. We are so grateful for the support we receive through local community fundraising activities. I would like to share some words from the wife of a patient who has experienced the wonderful care of a Rennie Grove Nurse:

*“Rennie Grove nurses were absolutely brilliant. They cared for my husband to the end. My husband did not want to go into a home or hospital, and I promised him that he would stay at home. With the help and care of Rennie Grove’s nurses, I was able to fulfil my promise. The care and attention that all of Rennie Groves gave was amazing. They were here whenever I called them, nothing was too much trouble for them. They are truly dedicated to helping people”*

With very special thanks again for your wonderful support over the years and best wishes for the year ahead,

**Louise Hewitt**  
Senior Community Fundraiser

**Local  
Support**

Local  
Care

We rely on local support to fund the care we deliver day and night in your community.

Shop local. Fundraise locally. Support local care.
