- enjoy yourselves!**

The Speen Supporters' Group

The Supporters' Group were set up by a group of Speen Village women to raise funds for the local hospice movements. Our aims are to raise funds, create awareness of the need to raise funds locally and inform of the good work done by these five charities, encourage local business to get involved, encourage others to set up similar support groups and to have fun! Now in our fifth year we have raised over £20,000 purely through events in and around Speen and supported mainly by friends, neighbours and colleagues of the Speen Supporters' Group.

Our events include numerous themed suppers and parties, a Salsa night, two balls, a three night theatre production, a fashion show, Christmas card sales, walks, lunches plus until recently the fortnightly quiz. Various representatives have joined us to speak about their individual charities and what impact our support has on their patients. Sister Frances Dominica gave us a tremendous lecture during last year's Speen Festival which told of her experiences setting up and running Helen and Douglas House in Oxford for long-term and terminally ill children.

The charities we support are:

The Friends of Florence Nightingale House, Stoke Mandeville

Helen and Douglas House, Oxford

The Hospice of St Francis, Berkhamsted

Iain Rennie Hospice at Home, Tring

South Bucks Day Hospice, High Wycombe

Your involvement tonight helps raise funds to assist those patients whether young, middle aged or elderly, who are facing terminal illness to have the care and attention they deserve. These charities also play a major part in helping families cope during the illness and with bereavement.
